Subject : Contract M-1

Gentlemen:

Inclosed is Supplemental Agreement No. 2 to the subject contract, directing you to prepare a final report as described therein within the limits of funds already obligated.

Subsequent to your recent visit a review of your periodic reports by our engineering staff disclosed information which, in conjunction with the final report will be adequate to fulfill the experimental objectives of the contract.

The degree of your success in meeting these objectives, your sustained interest in the project, and Mr. Burn's engineering accomplishment is recognized. As Contracting Officer and in behalf of the Agency I extend my sincere appreciation for your joint efforts.

Very truly yours,
